The Crook County School is looking for Beef donations. The district got a grant that will pay for the processing of local beef to serve in our schools. So far, they will have three. One from Chip and Joni Nieman and two from FA Bush Ranch. Conversation was held about hopefully ordering pre pattied hamburgers and meat balls.

Criss signed up for a booth on December 1st at the Hulett Library to sell our scarves, napkins and give away some odds and ends for a door prize.

Thank you to Criss who is taking over a meat and cheese tray and some baked goods to the Conservation Easement Community Discussion held by the Wyoming Stock Growers Land Trust on November 29th in Sundance, WY.
