IV. Old Business:

COORESPODENCE: Thank you from Linda Larsen for flowers sent to Chuck's funeral. WY AG in the Classroom requested a donation- we decided no donation will be sent as we have a vested interest in our own program with similar goals.

SIGNS: Tracy brought a map of our county with all the signs marked!

BEEF IN SCHOOLS: Tracy too 50 lbs of Hamburger and Criss took 2 briskets over to the Hulett school so they had beef to prepare. On the 11/29 a beef from the Bush Ranch went to Sturgis to be processed- Tracy requested that it be distributed to the Hulett School. On 1/26 Wolf, Hespins and Decar took beef to Sturgis. They will call to reserve dates at Sturgis for future donations- 3 or 4 a year.

Linda also stated that Chip Neiman is looking into if we can use a local processer (instead of USDA) for Beef in Schools.

## BEEF EDUCATION AND PROMOTION:

**Reading on the Ranch:** Waiting for TSLN to return our request for their program to cover our schools. We collected \$225 in personal donations at our Christmas party for their program.

**Brand Book:** Discussion about if we will do it. We decided to table the discussion and talk about it at the February meeting.

**Raffle Update:** The Habeck's donated the processing fee and we will pay out the advertising cost. We had 2 deposits totaling \$4,040! What a success!

**Brand Scarf Update:** Jeanne brought sample scarfs from Campbell County CW- they used a company in Florida. They used a graphic designer in Gillette who will come up with a form for collecting the brands (along with a copy of their brand card).

**Window Cling:** Purpose would be to use as a promotion and not to sell. We would need to figure out the size we want. Bring samples of sizes/designs/copies to next meeting- Tracy said that she would help with the design. We would want to find a local person to print them- start with 500.

**AG Minute:** Hannah brought the idea of having an AG Minute on the radio- She said that she would collect more info from Andrea Wood and bring to the next meeting.

Jeanne also brought a coloring book of pictures from the area that were converted into coloring pages. Might be a good idea for Fair giveaways.
